A close-up photograph of two men in business suits shaking hands. The man on the left is wearing a dark suit, and the man on the right is wearing a blue suit. The background is bright and out of focus, suggesting an office or meeting environment.

What is Accreditation?

Accreditation is a system of assessment and external review of educational and training institutions and of professional training programs offered by those institutions, accreditation provides an assurance of quality to trainees and the public In the accrediting process and the performance of educational and training units is measured against international standards.

The organization that oversees external review and grants accreditation of professional studies programs is International Accreditation Organization (IAO) and International Training Standards (ISO-ITS)

What Makes ACTE Accreditation Services Valuable?

Accredited Training Organizations (ATOs) that display accredited badge inspire confidence in prospective candidates that they are in expert hands and official signifier of competence and best practice distinguishing an organization or individual from those that are not accredited .
